

What is CLEP?

CLEP (the College-Level Examination Program®) offers 34 exams that cover intro-level college course material. With a passing score on one CLEP exam, you could earn three or more college credits at more than 2,900 U.S. colleges and universities.

Modernstates.org offers FREE prep classes for CLEP testing, and if you pass the tests associated with the courses they will even provide you with a voucher that can be used to cover the costs of the test (normally \$87 per test attempt).

Registration is easy and free! You just log into modernstates.org, scroll down and click on the “sign up” button. You will need the name of your school, first and last name, email address, and you will create a user name and password. Once registered you will enroll in the courses that you are interested in and once completed you will request your CLEP voucher!!

You can take up to 8 courses through this program to receive 8 testing vouchers, so this is truly a great opportunity!
