POINTS OF PRIDE

Our school provides courses to help students to be prepared for college and careers. Opportunities for students include honors, gifted, advanced placement, dual enrollment, and career technical programs.

Students are actively involved in our tight-knit community, working closely with community partners for student internships, "Polishing the Pearl" community clean-up event, Pearl River Police Department's "Night Out Against Crime" and Special Olympics.

Our recently updated campus supports our educational program with extensive upgrades to facilities and equipment.
