## **Accidents**

Any accident that occurs during school hours must be reported to the school administration immediately, so that an incident report can be completed. PRHS has no financial responsibility for accidents that occur on the school campus.

## **Attendance**

All students are expected to attend school daily. Any student missing 6 or more days in a class per semester must attend the After School/Saturday Attendance Recovery Sessions to recover time missed or he/she will be denied credit in the corresponding course. A student's absence in a class may occur if a student misses the class due to checking in late to school, checking out early from school, or missing the entire day of school. A student is considered habitually absent upon his/her sixth (6<sup>th</sup>) unexcused absence from a class (regardless of checking in late, checking out early, or all day absence). Unexcused absences for students will include non-exempted excused-parent notes, unexcused absences, and suspensions. Students who are habitually absent in a course will be reported to the Child Welfare and Attendance Office and be enrolled in Attendance Recovery.

Students may **not miss more than five (5) days** per semester. There are four types of absences a student may obtain: exempted excused; non-exempted excused; unexcused absences; and suspensions. **Only exempted, excused absences will not be counted against students when determining whether a student meets attendance requirements.**

**Exempted Excused absences:** Doctor/dentist note, court order note, truancy hearing note, death of immediate family member note – these will not be counted in the 5 days - and extenuating circumstances in STPS discipline handbook. The documentation must be submitted within two (2) days for the absence to be considered excused for making up work.

**Non-exempted excused absences** are those incurred due to personal or serious illness in the family **documented by a parental note**. These absences allow the student to make up work missed, but are counted when determining attendance recovery sessions needed. A written note from a parent or guardian must be submitted within two (2) days for the absence to be considered excused for making up work.

**Non-exempted unexcused & non-exempted suspensions** are absences with no documentation and all suspensions.

**Truancy:** A notification letter will be sent to the parents/guardian after three (3) days of unexcused absences. A copy of **Act 745** form will be sent to the Supervisor of Child Welfare and Attendance when unexcused absences accumulate to five (5). For extenuating circumstances – see the STPSB Discipline Handbook. When absent, students are expected to keep up with their work by checking the teacher's web page for assignments, homework, test dates and deadlines. **Students must be present for at least half of the school day in order to participate in school-sponsored extracurricular activities on that day.** PRHS discourages student checkouts past 2:00 p.m.

**ACT 745** provides monetary fines, community service and imprisonment for parents and legal guardians whose children are habitually tardy and absent from school. These measures will be decided upon under the jurisdiction of the St. Tammany Parish School Board and enforced by the Offices of Child Welfare and Attendance.

**ACT 688** authorizes, subject to the adoption of school board policies, the denial or suspension of driving privileges to a minor who fails to meet compulsory school attendance requirements and has withdrawn from school or is habitually absent or truant.

Any student, above the compulsory attendance age (17), who has excessive absences that are unexcused, may be dropped from the rolls for the remainder of the school term.

## **Attendance - Seat time Sessions for Credit Recovery**

All students must make up **seat time** for all **Non-exempted absences** over the 5 day limit per semester. Students who exceed the attendance regulation at the end of the semester and fail to recover seat time through attendance recovery sessions **will be denied credit in the course.** Students in danger of being denied credit due to excessive absences may be allowed to make up missed time in sessions held outside of the regular class time. The **After School/Saturday makeup sessions** must be completed before the end of the current semester and all other policies must be met. Any student who does not complete his/her attendance recovery sessions will be denied credit.

Attendance Recovery Sessions for this school year: (schedule of dates will be posted in classrooms)  
**AFTER SCHOOL SESSIONS** – 2:45 to 3:30 in Room 103 (1 session) – every day – student must sign in and sign out OR in the library Monday – Thursday – 2:45 to 3:30 (1 session)  
**SATURDAY SESSIONS** – 8 a.m. to 12 noon – 5 sessions – student must sign in and sign out.

## **Attendance: Make-up Policy**

If a student is absent, he/she is responsible for all work missed. Upon returning to school or to the class, it is the responsibility of the student to bring a note within two (2) days of the day(s) missed to the Front office before school or during lunch. Excuses will be stamped with the date and time turned in. Excuses will not be accepted after two (2) days of the student's return to school. Work missed during an absence must be made up immediately upon returning. The make-up period is equal to the number of days missed – **UNLESS THE PARENT REQUEST MAKEUP WORK PRIOR TO THE STUDENT'S RETURN AND THEN THE WORK IS DUE ON THE DAY THE STUDENT RETURNS TO SCHOOL.** Responsibility for making up work lies entirely with the student. The student should make appointments with the teachers, ascertain what work has to be made up, and set up a schedule for its completion. **Long-term assignments are required to be turned in on the day due regardless of the reason for absence.** A long-term assignment is defined as an assignment given by a teacher at least two weeks prior to the due date.

## **Attendance: Exam Day/Testing Days**

Students are not allowed to checkout on nine weeks tests days, mid term exam days, final exam days, or state testing days. In the event that a student must check out, a parent or guardian must come to the school to have the student released. Seniors who are exempt are to arrive at school for the exam period and are not to roam or remain on campus when not taking an exam.

## **Attendance: "M" days/College days**

Students participating in school-approved activities ("M" days), which necessitate a student being away from school, shall be considered present and shall be given the opportunity for make-up work. The administration reserves the right to limit the number of "M" days assigned to a student. Make-up policy applies. Seniors will be given no more than two college days documented by an official letter from the school stating the student attended on a specific day.

## **Attendance: Incentive Celebration through PBIS**

Students - who have no required attendance recovery/seat time, no tardy detentions, AND no discipline referrals **for the entire year** - will be invited to attend the end of the year incentive program sponsored by the Positive Behavior Intervention Support program.

## **Athletics Eligibility**

A student must not be 19 years old before September 1, of the school year. Once the student enters the ninth grade, the student has eight consecutive semesters in which to play athletics. A student must provide legal proof of age with original or a certified copy of Birth Certificate. The student's Birth Certificate and a doctor's physical must be on file with the school's athletic director. A student must have passed six courses in the previous year and earn a 1.5 grade point average to be eligible to play in the fall. A student must have passed six classes in the fall to be eligible to play in the spring. If a student attends a school outside their "home attendance zone", they are automatically ineligible for one year unless they meet the provisions of the transfer rules.

## **Bookbags**

The school takes NO responsibility for bookbags or their contents. Bookbags should never be left unattended at any time. During P.E., it is the responsibility of the student to secure his/her book bag in an assigned locker.

## **Bullying (refer to p. 12 STPSB HANDBOOK)**

There is a Zero Tolerance policy at PRHS for bullying of any kind. Cyber bullying, bullying through the web or cell phones or other electronic devices will be dealt with as severely as verbal and physical bullying. Students who are being bullied are encouraged to seek out a counselor or administrator for assistance. All measures will be taken to protect the anonymity of the person(s) reporting the bullying. Allegations of bullying will be promptly investigated and St. Tammany Parish policies and procedures will be followed.

## **Buses**

The driver of the bus has complete responsibility for the bus and for the students. Students should be respectful at all times to the bus driver and adhere to his/her instructions. Any student who wants to transfer buses for one day must have their parent call the office or the student must bring a note to the Front Office before school to be verified during the day. Once verified, the principal/designee will sign the note and the student is to give it to his/her bus driver. Students will not be allowed to ride any bus other than his assigned one if parent permission is not verified.

Disciplinary consequences are arranged in a hierarchy. (See below) Classroom teachers will develop their classroom policies and may choose to allow input from students. Classroom teachers have a number of consequences at their disposal. Some teachers will issue **lunch detentions** for a variety of reasons. Lunch detentions are held with that teacher and, in that instance, a student must have a pass from the teacher to enter the classroom building during the lunch period. If a lunch detention is missed, the teacher will issue an after school detention. Teachers may also issue **after-school detentions** for a variety of reasons (class tardy; dress code; classroom behavior; missed lunch detention; etc.) Administrators uphold the issuance of detentions by teachers. Administrators will only remove an afterschool detention from a teacher's discretion in a rare circumstance and following an investigation.
