June 23, 2021

Dear Parents/Guardians and Students,

I am honored and excited to be appointed Principal of Pearl River High School and to join your community. I can assure you that I plan to be a part of this community for many years to come. Over the last few weeks, I have had the opportunity to meet some staff, students, and parents of the Pearl River High School Family. I couldn't be more impressed with the pride, family atmosphere, and love of our community. The feeling of home is tremendous! I welcome and look forward to hearing your ideas and visions for our school's future, as we work together to make Pearl River High School the best in the parish!

I am coming to Pearl River High School from Slidell High School where I have spent the last 14 years as a teacher, an Administrative Assistant, and an Assistant Principal. I am a product of the St. Tammany Parish Public School System and a lifelong resident of Slidell. As a parent, I know that the high school years are very impressionable and important. Please know that I want all parents to be involved and that I welcome your participation in all aspects of your child's high school career.

Students, I cannot wait to meet each of you! I am ready to see you all exceed in both academic and extra-curricular activities. We will be implementing a new rewards program to encourage each of you to challenge yourselves to earn higher ACT, WorkKeys, AP, CLEP, and/or LEAP Connect Scores. Included is a flyer outlining the Senior Pearl Rewards Program for current seniors and one for current juniors. We will be notifying senior students who qualify as all scores are received. We are currently working on a LEAP2025 rewards program for freshman, sophomores, and juniors. As soon as we have more information, we will post it on the school website. If you are an incoming freshman, we will be hosting Freshman Orientation on July 28, 2021 at 6:00 for parents and students. Watch your mail and our school website for information as the date gets closer.

Please remember that my door is always open. I genuinely look forward to working together for the success of our students.

Sincerely,

Trece Jordan-Larsen, M.Ed.
Principal
